

## Guest House Resurrection Project at Mount Ecclesia October 25, 2025

•Back in the Winter Solstice 2024 we were deciding on a theme for the final entry of Pluto in Aquarius ... and it is at the Spring Equinox that the Summer Conference 2025 theme became obvious: **The Dawn of the Phoenix**. And preparation for the Summer Conference brought with it the thought about refurbishing the Guest House.

A long time member took that task to heart and went to bat to find some funds and voila! Donations came in as well as Volunteers. The first step was to restore the Guest House Chapel, presently used as a Library. So, the old Water Therapy room, on the west side, was emptied of all the junk that was stored there. Then it was cleaned, painted, electrified and the shelves and books from the Library were moved into it.

Then the Philosophy Room , across from the chapel was refurbished, new window panes, clean floor, furniture moved and a nice coat of painted, additional chairs. So, on August 8, 2025, marking the 116th anniversary of the Rosicrucian Fellowship, we held a ceremony to announce the refurbishing of the old Sanitarium (presently the Guest House) into a Spiritual Healing Center. Along with it was the resurrection of Max Heindel's School of Spiritual Healing. During this ceremony Dr Sheldon Deal, DC, a longtime probationer was honored as the honorary Director of the School of Spiritual Healing who gave a lecture, after the lecture when we looked in the chapel from which we had removed most of the chairs to accommodate the 41 attendees when we expected about 18, we noticed a **miracle** in the chapel: A cross of light appeared between two chairs from the west window.

It would not have been visible were the chairs not removed for the ceremony. Thank you God for this welcome Blessing.
